2014 ADAPTATION PETITE SIRAH NAPA VALLEY

VINEYARD NOTES

The 2014 Adaptation Petite Sirah is crafted from two of our favorite Napa Valley vineyards, Kennefick Ranch Vineyard in Calistoga, and Langtry Vineyard located just outside of Pope Valley in the Northeastern corner of the Napa Valley. Thriving in the warm climate that these two vineyard sites provide, the resulting wine is truly expressive of the respective terroir.

HARVEST

The 2014 vintage blessed the vines with plenty of warmth and sunshine, allowing us to craft a wine with intense purity of fruit, density and concentration. Each lot was hand harvested after peak hang time which rewarded us with small concentrated berries beaming with personality.

FERMENTATION & AGING

100% stainless steel fermented after a 48 hour cold soak at 50°F. Maceration lasted 7-12 days at a maximum temperature of 95°F. The wine was aged in 50% new French and American oak barrels and 50% once used barrels for 18 months.

IMPRESSIONS

This expressive and full bodied Petite Sirah exhibits a deep black/purple hue with layers of blackberry liqueur, blueberries, raspberries, violets, anise, hints of cloves and a gorgeous texture with seamless, integrated tannins.

VARIETALS/BLEND 95% Petite Sirah
 5% Syrah

PRODUCTION 16 Barrels

ALCOHOL 14.8%
