“IF SACK (WINE) AND
SUGAR BE A FAULT,
GOD HELP THE WICKED.”

- Sir Jack Falstaff

A Brief History...

- 1992: PlumpJack Wine Shop was founded by Gordon Getty & Gavin Newsom based on a mutual love and passion for wine
- Inspired by one of Shakespeare's most memorable characters, Sir John "PlumpJack" Falstaff, PlumpJack celebrates the convivial spirit of its namesake with an inviting and approachable style.
- 1995: PlumpJack Winery was established in Oakville.
- 1998: John Conover joins partnership and works to create an estate dedicated to crafting a wine reflective of its appellation

PLUMPJACK ESTATE WINERY
CADE ESTATE WINERY
ODETTE ESTATE WINERY

PlumpJack Winery sits squarely in the heart of Napa Valley's renowned Oakville region, surrounded by a 42-acre estate vineyard highly regarded for the quality of its Cabernet Sauvignon.

Napa Valley

- The east side of our vineyard lies along the foothills of the Vaca mountain range and yields grapes with the kind of bold fruit character that comes from well-draining, aiken, hillside soils.
- To the west, our vines take root in loamy clay soils, for grapes with softer, more supple varietal character.

The Winemaker

Aaron Miller

As Head Winemaker for PlumpJack Winery, Aaron Miller brings over a decade of wide-ranging experience and an extensive education to the position, holding a Master of Science in Viticulture and Enology from UC Davis. A California native, he found his calling in the wine industry and planted roots in Napa. Miller is dedicated to crafting Oakville Cabernet that not only showcases the terroir of the estate's 42 acres, but also to crafting Oakville Cabernet Sauvignon in the PlumpJack style.

"My goal is always to make wine that is strong enough to stand on its own, yet elegant enough to be enjoyed with food," says Miller. "The soil profile at PlumpJack allows for such complexity – simultaneously light and dense. That diversity necessitates preparedness. When it comes to winemaking, I think ten steps ahead, and then act. Being well prepared is critical in order to find the balance between the science and the art of winemaking."

Miller graduated from UC Davis with a Bachelor of Science in Neurobiology, Physiology, and Behavior before continuing on to receive his Masters. After being published in the *American Journal of Enology and Viticulture* and interning in Italy and New Zealand, Miller held positions at Groth Winery and Lewis Cellars. Miller, a life-long fermenter, can often be found brewing beer and making cheese when not spending his spare time with his wife and family.

2016 PlumpJack Reserve Chardonnay, Napa Valley

Production:	116 Barrels
Varietals:	100% Chardonnay
Alcohol:	14.4%

VINTAGE

The 2016 vintage was yet another drought year – the fifth in a row in the Napa Valley. Though the little rain that did fall came at the right time, and our vines got a healthy dose of water before and after budbreak, when they need the water for a burst of growth. The spring and early summer were warm and dry, and the days grew hotter as summer progressed. It seemed as though we would have another early harvest due to the heat of late August and early September. However, the days cooled enough for our grapes to mature more slowly, allowing flavor to develop and tannin to mature prior to harvesting.

FERMENTATION & AGING

Our Reserve Chardonnay was fermented and aged in 64% stainless steel fermenters and 36% French oak Burgundy barrels. These fermentations were kept cool – 52 to 55 °F – to preserve the fresh fruit aromatics. The use of stainless steel also helps to retain the fresh, varietal character, while the oak adds depth and complexity. We do not allow this wine to undergo malolactic fermentation so that we can preserve the vibrant and lively acid on the palate along with the fresh aromatics.

WINEMAKER IMPRESSIONS

Our Chardonnay grapes are sourced from two vineyards in the Napa Valley – one in Los Carneros and the other in St. Helena. Each of these unique AVAs provide their signature characteristics – freshly-cut green apple, Bosc pear and zingy lemon zest aromas from Carneros, and the warmer St. Helena site offers ripe pineapple and lychee fragrances. On the palate, the Carneros site gives gorgeous, bright acidity that is beautifully balanced by the creamy, lingering texture of the St. Helena fruit. A kiss of oak adds subtle layers to the nose and palate of toasted almonds, baked vanilla and spice.

2015 PlumpJack Merlot, Napa Valley

Production: 87 Barrels
Varietals: 100% Merlot
Alcohol: 15.0%

VINTAGE

The 2015 vintage will be remembered for being hot, light, and early. Yet another year with a warm, dry winter and early budbreak. A fourth consecutive year of drought seems to be affecting the vines, as there were fewer clusters on each shoot than is typical. To exacerbate this, a cool May, when the clusters were flowering, resulted in poor pollination, and even less fruit on the vine. The light crop and hot summer and fall resulted in an earlier than normal harvest. Though early and scarce, the quality of the 2015 wines is once again out of this world.

FERMENTATION & AGING

Our Merlot grapes were cold soaked for four days before the onset of fermentation. The fermentation was then allowed to reach a maximum temperature of 92 degrees F and pressed off the skins after 10 days. The wine was then moved into oak barrels where they underwent malolactic fermentation. 75% of these barrels were new barrels and the balance were once-filled barrels. 88% of our Merlot barrels were French Oak Bordeaux barrels and 12% were American Oak barrels. The coopers used include Sylvain, Taransaud, Nadalie, and Demptos. The Merlot was aged for 19 months before bottling.

WINEMAKER IMPRESSIONS

The 2015 vintage gave the 2015 PlumpJack Merlot, Napa Valley aromas of velvety raspberry, bright blackberry, sweet plum, white flowers and wild mushroom crostini. The barrels sprinkle in campfire s'mores and warming spices. The palate is delicate upon entry and crescendos to full-bodied and rich on the mid-palate. Bright acid and beautiful structure give this wine great tension, relentless balance and persistence on the finish that concludes with warm cocoa and fresh vanilla.

90 Points

2015 PlumpJack Syrah, Napa Valley

Production: 33 Barrels
Varietals: 100% Syrah
Alcohol: 15.0%

VINTAGE

The 2015 vintage will be remembered for being hot, light, and early. Yet another year with a warm, dry winter and early budbreak. A fourth consecutive year of drought seems to be affecting the vines, as there were fewer clusters on each shoot than is typical. To exacerbate this, a cool May, when the clusters were flowering, resulted in poor pollination, and even less fruit on the vine. The light crop and hot summer and fall resulted in an earlier than normal harvest. Though early and scarce, the quality of the 2015 wines is once again out of this world.

FERMENTATION & AGING

Fifty-three percent of our Syrah grapes were destemmed and fermented in stainless steel tanks and 17% were destemmed and fermented in concrete tanks. These grapes were cold-soaked for 4 days, then fermented at a maximum temperature of 92F, and were pressed off the skins after 7-10 days. The remaining 30% was whole-cluster fermented in open-top fermenters. These grapes were cold-soaked for 3 days, then fermented at a maximum temperature of 87F, and the wine was pressed off the skins after 8 days. After pressing, the wine was transferred to French Oak Burgundy barrels where it underwent malolactic fermentation. The wine was kept on heavy lees for several months and was stirred twice a month during this time. The coopers used in this wine include Francois Freres and Meyrieux, of which, 68% were new barrels. The wine was aged in these barrels for 16 months prior to bottling.

WINEMAKER IMPRESSIONS

The impeccable 2015 vintage blessed both of our Napa Valley vineyard sources, Hudson in Carneros and Stagecoach on Atlas Peak, that yield fruit for our 2015 PlumpJack Syrah, Napa Valley. The cool, foggy Hudson Vineyard imparts this wine with a smoky, bacon aromas layered with white and black pepper along with some floral notes, while the sunny and rocky Stagecoach Vineyard expresses the typicity and elegance of mountain fruit - powerful and focused, with a bouquet of blackberry, fresh boysenberry and warm huckleberry pie. On the palate, the Hudson vineyard brings beautiful, bright raspberries, freshly-cracked black pepper, followed by lively acid, whereas the Stagecoach Vineyard adds dark fruit flavors, pronounced concentration and a formidable structure.

PLUMPJACK

WINERY

2014 PlumpJack Estate Cabernet Sauvignon, Oakville

Production:	260 Barrels
Varietals:	95% Cabernet Sauvignon 5% Petite Verdot
Alcohol:	15.6%

VINEYARDS

Our Estate Cabernet Sauvignon is sourced from the forty-two-acre vineyard that surrounds our winery on the valley floor in the heart of Oakville. The east side of our estate lies along the foothills of the Vaca mountain range, where well-draining hillside soils yield grapes of bold fruit character. To the west, our estate reaches the Napa River flood zone, where vines take root in rich, deep clay soils, for grapes with soft, supple varietal character. Thanks to this expressive range, our estate wines have become known for their intriguing complexity.

HARVEST

2014 was a vintage to remember. We saw an unseasonably warm and dry winter, which resulted in budbreak about three weeks earlier than normal. The temperatures remained warm throughout spring bringing early bloom. The summer months brought ideal weather, which gave our grapes some time to develop flavor without rapidly accumulating sugar. We saw a heat spike in September that sent some vintners scrambling, but we held fast and our grapes made it through in great condition, and the result was wines with great beauty, depth, and grace.

FERMENTATION

The Estate grapes were cold soaked for a period of 2-4 days and then fermented up to a maximum temperature of 94 degrees. The wines from each block on our Estate developed incredible tannin, color, and flavor concentration in a very short time, and the wines were drained off the skins after a total maceration of only 7 – 12 days. The wine was then racked to barrel to undergo malolactic fermentation and to age. This wine was aged in 80% new French Oak barrels. The cooperage used were primarily Sylvain, Taransaud, Nadalie, and Seguin Moreau. The cooperage is a blend of medium-plus and heavy toast barrels from a variety of forests. This blend of coopers, forests, and toasts lends the wine more layers and aromatic complexity.

OUR THOUGHTS

“Early” was the theme in 2014. Though early, the growing season was exceptional and the quality of the fruit was outstanding. Aromatically expressive, this wine delivers notes of black cherry, ripe raspberry, and hints of sage and clove. On the palate, layered flavors of Bing cherry, chocolate, mocha, vanilla bean, and warming spice round out this rich and balanced wine. The 2014 vintage is beautifully structured and is full of energy – elegantly smooth tannins and vibrantly firm acidity make this wine ideal for drinking now or cellaring for 10 – 15 years.

95 Points

95
points

A beauty, bigger-boned and framed than many 2014's, with more structure, this is classic Oakville material, with more opaque purple color and a big sweet kiss of graphite, black currants, Christmas fruitcake and spice box. Full-bodied and opulent, with moderate tannin, this is a gorgeous wine to drink now. —R.P.

94
points
vinous

Another super-appealing wine. Dark cherry, plum, mocha, spice, new leather and licorice wrap around the palate. Succulent, layered and juicy, the 2014 captures all of the appeal of this Oakville site, albeit in the more restrained style that is typical of the year. —A.G.

92
points
Wine Spectator

Ripe, juicy blackberry, currant and plum flavors are at the core, joined by licorice, fresh earth and cedary oak notes and hints of herb and spice. Ends with a long, full finish that tilts towards melted licorice details. —J.L.

2015 PlumpJack Estate Cabernet Sauvignon, Oakville

Production:	180 Barrels
Varietals:	88% Cabernet Sauvignon 7% Petite Verdot 5% Malbec
Alcohol:	15.4%

This blend of coopers, forests, and toasts lends the wine more layers and aromatic complexity.

OUR THOUGHTS

A classic vintage in the making, the 2015 wines are voluptuous, racy and textured – cornerstones of our Oakville Estate Cabernet Sauvignon. Ripe raspberry and wild black cherry fragrances flow from the glass, followed by wispy notes of blueberry pie, dried sage leaves and vanilla bean. Rich raspberry jam and baked cherry pie tastes take center stage of this dark, structured, full-bodied wine and are chased by secondary flavor components of mint chocolate, iron shavings, blackberry cobbler and French vanilla mocha latte. Despite the hot growing season and another consecutive drought year, the wine possess an energizing freshness while simultaneously balancing the wines natural acidity and density – creating a wine worthy of aging twenty-plus years but capable of enjoying now.

PLUMPJACK

WINERY

2014 PlumpJack Reserve Cabernet Sauvignon, Oakville

Production:	600 cases
Varietals:	97% Cabernet Sauvignon 3% Petit Verdot
Alcohol:	15.6%

VINTAGE

The 2014 was a vintage to remember. We saw an unseasonably warm and dry winter, which resulted in budbreak about three weeks earlier than normal. The temperatures remained warm throughout spring bringing early bloom. The summer months brought ideal weather, which gave our grapes some time to develop flavor without rapidly accumulating sugar. We saw a heat spike in September that sent some vintners scrambling, but we held fast and our grapes made it through in great condition, and the result was wines with great beauty, depth, and grace.

FERMENTATION & AGING:

The grapes that were used to craft the 2014 Reserve Cabernet Sauvignon were grown in the red, rocky soils on the east side of our estate. These soils retain less water than heavier soils, so the vines are more stressed, producing grapes with more flavor intensity, richness, and concentration. Several different types of fermenters were used in the lots that ultimately became the 2014 Reserve Cabernet Sauvignon – oak, stainless steel & concrete. The grapes from this site were cold soaked for 3 - 4 days and were fermented to a maximum temperature of 94°. The wine was pressed off the skins after a period of 6 – 9 days, at which time the wines were racked to barrel for malolactic fermentation. The coopers that were used in this wine are Darnajou, Sylvain & Taransaud. The barrels are a blend of medium-plus to heavy toast.

WINEMAKER IMPRESSIONS:

The grapes in our 2014 Reserve Cabernet Sauvignon were sourced from our rocky, gravelly I & K blocks on the east side of our estate. A paradigm of terroir, these blocks feature alluvial soils rich in volcanic nutrients that washed down from the Vaca Mountains. Emblematic of this side of our estate, these blocks gave us profoundly well-fruited and robustly concentrated grapes, which directly transcribes into the glass. This wine has deep, impenetrable color with an incredible force of fruit fragrances on the nose. A mixed handful of freshly picked berries, plum jam and crème de cassis are the first aromas revealed, and are followed by diverse sub-layers of baking spices, baked blackberry and some wispy notes of cocoa. This wine, dense and concentrated, paints your palate with focused fruit flavors of juicy blackberries, cocoa dipped blueberries, and dried plums. The texture of the tannins are velvety yet firm and are seamlessly interwoven into a long-lasting finish.

Howell Mountain is located in the Vaca Mountains on the northeast side of Napa Valley and was the first sub-appellation designated within the Napa Valley AVA in 1983.

Napa Valley

- Vineyards in the Howell Mountain AVA are planted between 1,400 - 2,200 feet above sea level
- The volcanic soil and steep grades create excellent drainage resulting in dense, concentrated fruit character
- Cloud inversion allows maximum daily sun exposure and increased photosynthesis which develops phenolic ripeness as compared to sugar ripeness

CADE Estate Winery

Howell Mountain, Napa Valley

Howell Mountain- What makes CADE Estate Unique?

- Estate Vineyards
- 54 acres (19 acres planted to Cabernet Sauvignon, 2 acres planted to Merlot)
- Organic farming practices (no chemicals fertilizers or pesticides, for minimum of three years)
- Southwestern sun exposure; ideal for even development and ripening of fruit

Danielle Cyrot
Winemaker, CADE Estate Winery

Danielle Cyrot grew up in Orange County California to a French father and Irish Mother. Her childhood was spent summering in France where she was exposed to the winemaking history of her family from a young age. Her great-grandfather was the last in a long line of ancestors who owned the Cyrot vineyard in Burgundy's prestigious Côte de Beaune.

With no plans to carry on her family's legacy in winemaking, Danielle enrolled at the University of California, Davis. That quickly changed when she took an introductory winemaking class and realized she had found her calling. At Davis, Danielle worked harvests at both Schramsberg and Artesa in the Napa Valley, where she learned the trade from the soil up. After completing her studies, earning a Bachelor of Science in Viticulture and Enology, Danielle worked abroad at wineries in Alsace, France and South Australia.

After honing her skills overseas, Danielle came back to the Napa Valley and took a job as an enologist at Stags' Leap Winery. Danielle's talents were quickly recognized as she was promoted to assistant winemaker under her mentor Robert Brittan. During her six-year tenure at Stags' Leap Winery, Danielle learned to trust her palate and create world-class wines that merited her next promotion as winemaker at St. Clement. Danielle spent seven years creating elegant, structured and significant wines that expressed her personality and what she likes in a glass of wine.

Danielle lives with her college sweetheart in Napa balancing work and play as well as their toddler-son Blake. Danielle joined CADE Estate Winery in August of 2012 where she focuses on crafting wines from her two favorite varietals, Sauvignon Blanc and Cabernet Sauvignon. CADE Estate Winery produces two Sauvignon Blanc offerings (Napa Valley and Oakville Estate) as well as three Cabernet Sauvignon offerings (Napa Valley, Estate Howell Mountain, and Reserve Howell Mountain).

“Despite all the science behind finding the perfect site to grow grapes: the soil, row orientation, micro climate, rootstock; every growing season is different. What worked one year will not produce the same quality the next year. I must continue to look for the perfect combination of grapes, barrels, and winemaking practices.

It is an ever changing field of study that keeps me on my toes. That is why I love it!” – Danielle Cyrot, Winemaker

Sauvignon Blanc, Napa Valley

We combine Oakville estate-grown Sauvignon Blanc grapes with those sourced from a handful of skilled, fastidious farmers in Napa Valley

Cabernet Sauvignon, Napa Valley

A Bordeaux style Cabernet Sauvignon, blended from a few of Napa’s most famous vineyards

Estate Cabernet Sauvignon, Howell Mountain

Cade Estate’s fruit provides the back bone and additional Grapes are sourced from small artisan growers in the Howell Mountain Appellation

Cabernet Sauvignon, Reserve Howell Mountain

Barrel select from our 21-acres of Organically Grown Cabernet Sauvignon vines from our Howell Mountain Estate

2016 CADE Sauvignon Blanc, Napa Valley

Production:	6,545 cases
Varietals:	95% Sauvignon Blanc 2 % Sauvignon Musqué 2% Sémillon 1% Viognier
Alcohol:	14.1%

VINEYARD NOTES

In 2016, 22% of the fruit came from our Estate vineyard in the Oakville. We also worked with five other growers: Stanley Vineyard in Oak Knoll (22%), Berggruen in St. Helena (21%), LMR Vineyard from Rutherford (16%), Heitz Vineyard in Pope Valley (12%), and Juliana Vineyard in Pope Valley (7%).

FERMENTATION & AGING

Fermentation was carried out in a combination of stainless steel tanks and drums (67%), new French oak barrels (11%), neutral French oak barrels (19%), with the balance fermented in concrete eggs (2.8%). Ten different strains of yeast were used to ferment the juice. Fermentation lasted for an average of 30 days at an average temperature of 56.0° F with no malolactic fermentation occurring. The wine aged in Stainless steel tanks and barrels for 5 months. The barrels and stainless steel drums were aged sur lies without stirring the lees.

BOTTLING

Bottled March 1st-3rd, 2017

OUR THOUGHTS

This wine is filled with a gorgeous perfume of honeyed pears, guava, lemon grass, pink grapefruit and a waft of lemon lime soda. The palate is full of tropical flavors of cantaloupe and delicate kiwi plus a great intensity of lemon and lime citrus flavors. The sémillon and viognier added to the blend invoke another level of complexity with flavors orange blossom and lemon curd. The barrel fermentations add a satiny texture, density and viscosity to the mid-palate of the wine. The concrete adds a touch of flint and mineral to the finish of the wine as well as adding some mid-palate mouth-feel. The stainless steel fermentations preserve the natural Sauvignon Blanc aromatics, the racy backbone and the zesty crispness.

2017 CADE Sauvignon Blanc, Napa Valley

Production:	7,503 cases
Varietals:	94% Sauvignon Blanc 23% Sauvignon Musqué 2% Sémillon 1% Viognier
Alcohol:	14.0%

VINEYARD NOTES

In 2017, 26% of the fruit came from our Estate vineyard in the Oakville and 7% from the CADE 13th Vineyard on Howell Mountain. We also worked with three other properties: Stanley Vineyard in Oak Knoll (27%), Berggruen in St. Helena (22%), Juliana Vineyard in Pope Valley (17%).

FERMENTATION & AGING

Fermentation was carried out in a combination of stainless steel tanks and drums (70%), new French oak barrels (11%), neutral French Oak barrels (16%), with the balance fermented in concrete eggs (2.8%). Ten different strains of yeast were used to ferment the juice. Fermentation lasted for an average of 20 days at an average temperature of 56.0o F with no malolactic fermentation occurring. The wine aged in Stainless steel tanks and barrels for 5 months. The barrels and stainless steel drums were aged sur lies with out stirring the lees.

BOTTLING

Bottled March 5th-7th, 2018

OUR THOUGHTS

Our 2017 Napa Valley Sauvignon Blanc has aromas of lemon, lime, grapefruit, honeydew melon, orange peel, and white flowers. In the palate, there are more vibrant citrus, melon, honeysuckle flavors followed by a crisp acidity and touch of minerality. The Semillon and Viognier in the blend add another layer of complexity to the wine with flavors of kiwi and lemon cream pie. By fermenting the wine in stainless steel, French oak, and concrete, we are also building layers of complexity in the wine. The barrel fermentations add texture, density, and viscosity to the mid palate of the wine. The concrete adds a touch of flint and minerality to the finish of the wine as well as adding some mid palate richness. The stainless steel fermentations preserve the natural Sauvignon Blanc aromatics and the vibrant acidity and crispness.

2015 cade Cabernet Sauvignon, Napa Valley

Production: 51 Barrels
Varietals: 84% Cabernet Sauvignon
11% Petit Verdot
5% Malbec
Alcohol: 15.6%

VINEYARD NOTES

The cade Cabernet Sauvignon, Napa Valley is a mélange of some of Napa's most renowned vineyards: Kenefick Ranch Vineyards in Calistoga, Hanson-Hsieh Vineyard in Oak Knoll, and Komes Ranch in St. Helena.

ÉLEVAGE

The wine received 18 months barrel aging in 100% French Oak (64% New). Malolactic fermentation occurred in barrel immediately after primary fermentation. The wine was racked quarterly once malolactic fermentation was complete.

COOPERAGE

We use several different coopers including Seguin Moreau, Gamba, Boutes, Allary, Taransaud, Quintessence, Giraud and Mercier. Of these coopers we are sourcing the oak from several different forests as well as using a combination of Medium-Plus and Medium-Long toasting levels.

BOTTLING

Wine was bottled on May 8th, 2017

OUR THOUGHTS

The 2015 vintage was a memorable one, with extreme drought conditions, early bud break, low yields and hot growing conditions throughout the season. Our harvest initiated and concluded very early, almost two weeks ahead of average. This formula resulted in a beautiful wine with abundant aromas of whole cloves, wild blackberries & boysenberries and baked blueberry pie. Texturally, the wine coats your palate like soft, smooth satin but maintains an elegant structure. Complex flavor levels blanket your palate beginning with dried red fruits, raspberry jam, ripe cherries and campfire s'mores. The 2015 vintage has an elegance and roundness to it which makes it ideal for drinking now or cellaring for 5 - 7 years.

91 Points

2014 CADE Estate Cabernet Sauvignon, Howell Mountain

Production: 285 Barrels
Varietals: 92% Cabernet Sauvignon
4% Petit Verdot
4% Merlot
Alcohol: 15.2%

VINEYARD NOTES

The CADE Howell Mountain Cabernet Sauvignon is sourced from four estate vineyards on Howell Mountain, including the CADE Estate Vineyard, Ink Grade Vineyard, Cold Springs, and Eagle Summit. The 2014 vintage was perfect for ripening Howell Mountain Cabernet Sauvignon.

FERMENTATION

The majority of the fermentations went through a short maceration time between 8 and 9 days and hot fermentation temperatures, peaking at 92°F. A small portion of the blend was fermented in 500L new French oak puncheons and barrels. The must was pressed off at about 5° Brix and fermentation was allowed to finish in tank or barrel.

ÉLEVAGE

The wine received 20 months barrel aging in 100% French oak (75% new). Malolactic fermentation occurred in barrel immediately after primary fermentation. The wine was racked quarterly once malolactic fermentation was complete.

COOPERAGE

We use several different coopers for the Estate Howell Mountain Cabernet Sauvignon including Taransaud, Sylvain, Nadalie, Darnajou, Seguin Moreau, Bel Air, Bousset, Atelier, Mercier, Tonnellerie O, Ana Selection, Quintessence, Orion, Allary, Jarnac, Ermitage, and Dargaud et Jaegle. Of these coopers, we are sourcing the oak from several different forests including Allier, Tronçais, and the Center of France.

BOTTLING

Wine was bottled June 6th through 8th, 2016

93 Points

OUR THOUGHTS

The 2014 CADE Estate Cabernet Sauvignon, Howell Mountain is soft, supple, open-knit and a real beauty. The color is a healthy, deep purple and the wine full-bodied, rich with mulberry, black cherry, dark chocolate, blackcurrant and blackberry fruit, graphite and spice. It's insanely approachable now given it's silky personality but capable of evolving for up to 15 – 20 years, if you're patient enough.

2014 CADE ESTATE
CABERNET SAUVIGNON
Howell Mountain, Napa Valley

93
points

"Gloriously pure notes of mulberry, graphite, blackberry and blueberry soar from the glass and cascade over the palate. It finishes impressively, and the wine is capable of lasting 15-20 years, although it's certainly accessible now."
—R.P.

92
points

Wine Spectator

"Deep, plush and inviting, with a rush of fruit that takes hold of all the senses. Voluptuous and super-expressive. Mocha, plum and blueberry jam are some of the notes that grace the supple, open-knit finish."
—A.G.

92
points

vinous

"Though firm and dense, this is charming and agreeable already, with dried dark berry, sage and cedary oak flavors folding together. Appealing suppleness. Drink now through 2028."
—J.L.

2015 CADE Estate Cabernet Sauvignon, Howell Mountain

Production: 150 Barrels
Varietals: 91% Cabernet Sauvignon
6% Petit Verdot
3% Merlot
Alcohol: 15.2%

VINEYARD NOTES

The CADE Howell Mountain Cabernet Sauvignon is sourced from four estate vineyards on Howell Mountain, including the CADE Estate Vineyard, Ink Grade Vineyard, Cold Springs, and Eagle Summit. The warm, dry and exceptionally low-yielding 2015 vintage started on September 11th with fruit from the Ink Grade Vineyard and finished on October 5th with fruit from Eagle Summit - marking the earliest end to our harvest on record.

FERMENTATION

The majority of the fermentations went through a short maceration time between 8 and 11 days and hot fermentation temperatures, peaking at 92°F. A small portion of the blend was fermented in 500L new French oak puncheons. The must was pressed off at about 5° Brix and fermentation was allowed to finish in tank or barrel.

ÉLEVAGE

The wine received 19 months barrel aging in 100% French oak (76% new). Malolactic fermentation occurred in barrel immediately after primary fermentation. The wine was racked quarterly once malolactic fermentation was complete.

COOPERAGE

We use several different coopers for the Estate Howell Mountain Cabernet Sauvignon including Taransaud, Sylvain, Nadalie, Darnajou, Seguin Moreau, Bel Air, Doreau, Mercurey, D'Aquitaine, Cavin, Atelier, Mercier, Tonnellerie O, Ana Selection, Quintessence, Orion, Allary, Jarnac, Ermitage and Dargaud et Jaegle.

BOTTLING

Wine was bottled June 6th through 9th, 2017

94 Points

OUR THOUGHTS

Aromas of boysenberry jam, blueberry compote, wild lavender, chocolate covered cherries, roasted coffee, rose petals ripple through your senses with a kiss of graham crackers and toast marshmallow. Velvety on the palate with a satin mouthfeel with bold skyscraper tannins. The finishing flavors are echoes of the initial aromas, with warm cherry pie, cran-raspberry jam, coco nibs, toasted cinnamon, fresh strawberry and raspberry coulis.

2015 CADE ESTATE
CABERNET SAUVIGNON
Howell Mountain, Napa Valley

94
points

"The wine is dense with ruby/purple, plump, juicy and fleshy with plenty of blackberry and cassis fruit.

It cuts an even bigger mouth-texture and richness than its older sibling.

This is a beauty to drink over the next 12-15 years."

—Robert Parker

95
points

vinous

"Rich sumptuous and alluring. The purity and intensity of the fruit is striking. Super-ripe red cherry, plum, menthol licorice and violet are some of the many notes that emerge from the glass."

—Antonio Galloni

2015 CADE Reserve Cabernet Sauvignon, Howell Mountain

Production: 56 barrels
Varietals: 94% Cabernet Sauvignon, 6% Petit Verdot
Alcohol: 15.6%

CADE RESERVE VINEYARD NOTES

The CADE Estate is situated on a 54 acre property with 21 acres planted to vines with an ideal southwest facing exposure. Located in the heart of Howell Mountain, the CADE Estate Reserve vineyard sits at elevations ranging from 1,500 to 1,850 feet and is planted to 19 acres of Cabernet Sauvignon and 1 acre of Malbec and 1 acre of Petit Verdot. The 2015 vintage was a drought year, resulting in low yields, warm temperatures, and our earliest end to harvest on record.

FERMENTATION

The juice was fermented in a combination of stainless steel tanks 95%, and 500L new French oak puncheons 5%. Fermentation was hot and fast with temperatures reaching a maximum of 90°F and the juice macerating on the skins/seeds for 7-9 days.

ELEVAGE

The wine was aged for 20 months in 100% New French Oak barrels. Only free run wine was used in the blend, no press fractions were selected. Racking occurred immediately after the completion of malolactic fermentation, then on a quarterly basis until bottling.

COOPERAGE

Darnajou, Sylvain, Orion, Ermitage, Nadalie, and Dargaud et Jaegle.

BOTTLING

Bottled on July 19th, 2017

OUR THOUGHTS

The 2015 CADE Reserve Cabernet Sauvignon is an aromatic potpourri of cherry, strawberry jam, raspberry coulis, vanilla, cedar, cassis, coffee, chocolate, and a touch of mint. On the palate, it has a velvety rich mouthfeel with rounded yet robust tannins and structure leading to a long, persistent finish.

Savory flavors of toasted pecans, baking spices, blueberry pie, chocolate covered strawberries, anise, graham cracker, and tarragon delight the senses. This wine is a proud reflection of the very best of the vintage from our Howell Mountain Estate.

The Howell Mountain estate vineyard is organically farmed & accredited CCOF (California Certified Organic Farmers)

As an homage to our first winery, the 15,000 sq. ft. of caves were designed in the shape of the PlumpJack shield

The winery was built with steel made from 98% recycled material and zero wood was used in the production facility

The first LEED (leadership in energy and environmental design) Gold-Certified Estate Winery in Napa

A special manzanita tree on the property was the inspiration for the CADE logo, both in shape and color

The winery and the land are Napa Green Certified for achieving environmental sustainability and conservation

A commitment to quality and place from the same owners who brought you PlumpJack and Odette Estate Wineries.

2017 CADE Sauvignon Blanc, Napa Valley

Aromas of lemon, lime, grapefruit, honeydew melon, orange peel, and white flowers. In the palate, there are more vibrant citrus, melon, honeysuckle flavors followed by a crisp acidity and touch of minerality. The Semillon and Viognier in the blend add another layer of complexity to the wine with flavors of kiwi and lemon cream pie. By fermenting the wine in stainless steel, French oak, and concrete, we are also building layers of complexity in the wine. The barrel fermentations add texture, density, and viscosity to the mid palate of the wine. The concrete adds a touch of flint and minerality to the finish of the wine as well as adding some mid palate richness. The stainless steel fermentations preserve the natural Sauvignon Blanc aromatics and the vibrant acidity and crispness.

2015 cade 'Napa Valley' Cabernet Sauvignon

CADE Estate Expands with the purchase of Ladera October 2016

THE VINEYARD

With a strong tradition of producing award-winning wines over the last 40 years, the Stags Leap AVA is known as one of the most prestigious growing regions in the Napa Valley.

Napa Valley

Founded 2012
LEED Gold Certified
Soil:
-Boomer Gravelly Loam
-Perkins Gravelly Loam
-Bale Loam

- With its unique microclimates, soil types and position on the valley floor, the Stags Leap District was one of the first appellations to be designated as an AVA based on the unique terroir characteristics of its soil.
 - The soils of this region include loam and clay sediments from the Napa River and volcanic soil deposits left over from erosion of the Vaca Mountains.
- Our estate vineyard was planted in 1970 by Dick Steltzner, with replantings occurring in the 1990s and in 2014.

History of Odette Estate Winery

Stags Leap, Napa Valley

- Historic site was purchased in 1965 by Dick Steltzner
- Converted from open land to vineyard by Steltznors in 1970
- Steltzner Family owned & operated until selling to us 2012, making PlumpJack only the second family to own and farm the vineyard
- Celebrated district responsible for producing winning Cabernet Sauvignon in 1976 Judgment of Paris Tasting

Jeff Owens
Winemaker, Odette Estate Winery

A longtime member of the PlumpJack family, Jeff Owens directs the winemaking at our Stags Leap Estate, Odette, with incredible passion and great detail to his craft. A 2005 graduate of Cal Poly: San Luis Obispo, Jeff was part of the first graduating class in Wine & Viticulture at the University.

Spending his first harvest internship at the highly respected Cakebread Cellars here in Napa Valley, Jeff wanted an opportunity to work at a more boutique facility. After a great deal of research, Jeff handpicked a select group of wineries to apply to—one of which was PlumpJack. Hired initially as a cellar worker in early 2006, Jeff quickly rose up through the ranks becoming a vital member of the winemaking team. Promoted to Enologist, followed by Assistant Winemaker for PlumpJack, Jeff gained an intimate knowledge of the property, as well as winemaking as a whole.

In 2010 Jeff was presented an opportunity to move to Howell Mountain as CADE's Assistant Winemaker. With CADE's addition to the PlumpJack portfolio, the new winery provided an opportunity for Jeff to further expand his winemaking expertise. After two harvests on Howell Mountain, yet another opportunity for growth presented itself to Jeff with the purchase of a 3rd winery by PlumpJack, this one located in Stags Leap. Beginning in February of 2012, Jeff was named Head Winemaker for the new property— Odette Estate.

ADAPTATION

BY *Odette*

At Odette Estate Winery, we pride ourselves on producing wine that is emblematic to the place from which it's grown. Carefully crafted at our LEED Gold certified estate winery in the Stags Leap District, our Adaptation wines demonstrate the diversity and range within the Napa Valley appellation. Odette Estate Winemaker, Jeff Owens, hand-selects elite vineyard sources throughout the valley that reflect the unique terroir in an approachable, up-front style.

Adaptation Cabernet Sauvignon, Napa Valley

A true celebration of the whole Napa Valley, this wine is crafted from five renowned Napa Valley vineyards ranging from Calistoga to Oak Knoll.

Adaptation Petite Sirah Napa Valley

Big, bold and loaded with fruit, our Petite Sirah is sourced from vineyards planted in the warmest pockets of the northern Napa Valley.

ADAPTATION

2015 Adaptation Cabernet Sauvignon, Napa Valley

BY *Odette*

Production:	248 Barrels
Varietals:	78% Cabernet Sauvignon 22% Merlot
Alcohol:	14.6%

VINEYARDS

In 2015, we continued to work with our favorite local growers to craft this wine, one that truly represents the broader Napa Valley appellation. The backbone of the blend is sourced from Ink Grade (on the backside of Howell Mountain), which provides the framework and structure. We move our way down to the valley floor where we incorporate cabernet sauvignon and merlot from the Stags Leap District, Yountville and Oak Knoll appellations. This immense diversity and range within the Napa Valley allowed us to produce a wine that is emblematic of the unique Napa Valley terroir in an approachable, up-front style.

HARVEST

Mother Nature brought us another beautiful vintage in 2015. Sunny and warm temperatures allowed for peak hangtime and optimal ripeness in the vineyards. The crop size was significantly reduced as a result of cool weather during flowering coupled with another year of drought. Though scarce, the resulting wine is equipped with charmingly enhanced fruit purity, shades of density and concentration.

FERMENTATION & AGING

Fermentation took place in small fully jacketed stainless steel fermenters after a 48-hour cold soak at 40° F. Maceration lasted 8-14 days at a maximum temperature of 92° F. Malolactic fermentation took place in barrel and finished up in late winter. The wine was aged in 50% new oak barrels (French, Hungarian and American) and 50% one-fill French oak barrels for 19 months.

IMPRESSIONS

The 2015 Adaptation Cabernet Sauvignon redefines approachability - a fusion of fruit flavors that include wild blackberries, mulberries, sweet cherries and cocoa dipped blueberries invade your senses followed by wispy notes of forest floor and bittersweet chocolate. An exuberant, multi-dimensional mouthfeel is complemented by dynamic acidity that forges freshness, energy and length

ADAPTATION

BY *Odette*

2015 Adaptation Petite Sirah, Napa Valley

Production: 38 Barrels
Varietals: 92% Petite Sirah
8% Syrah
Alcohol: 14.6%

VINEYARD NOTES

The 2015 Adaptation Petite Sirah is crafted from two of our favorite Napa Valley vineyards, Langtry Vineyard located just outside of Pope Valley in the Northeastern corner of the Napa Valley and Ink Grade Vineyard on the backside of Howell Mountain. Thriving in the warm climate that these two vineyard sites provide, the fruit results in a wine that is truly expressive of the respective terroir.

HARVEST

We were off to an early start in 2015 after warm weather throughout the winter and early spring. However, a cool month in May during flowering drastically reduced the crop size. Yields were unusually low with only one cluster per shoot in most vineyard blocks. As the summer months commenced, Mother Nature brought more heat which resulted in the earliest harvest on record.

FERMENTATION & AGING

The grapes were destemmed and partially crushed into stainless steel tanks in preparation for maceration. The tank temperatures were lowered to 55°F for a 48-hour cold soak just before yeast inoculation to initiate primary fermentation. Maceration lasted 6-12 days at a maximum temperature of 95°F. The wine was aged in 50% new French and American oak barrels and 50% once used barrels for 18 months.

IMPRESSIONS

The 2015 Adaptation Petite Sirah yields a deep, dark purple hue, unveiling a bevy of wild berries, Black Mission figs, incense, chai tea and baking spices graduating into gingerbread and hints of roasted coffee beans. This full-bodied wine boasts a gorgeous texture with a combination of richness and density that give way to the elegant and weightless finish.

Odette Estate Wines

Chardonnay, Carneros

Our small production chardonnay is sourced from our friend Lee Hudson's acclaimed Carneros vineyard.

Cabernet Sauvignon, Estate Stags Leap District

The Estate Cabernet is sourced from various blocks on our 45-acre Estate in the heart of the Stags Leap AVA.

Cabernet Sauvignon, Reserve Stags Leap District

The Reserve is sourced from our hillside block and the outer edges of our 45 acre Estate in the heart of the Stags Leap AVA. The vines were planted between 1979- 1990 making them some of the oldest amongst the AVA.

***“I want to make the best wine possible...
energetic, expressive and approachable from day 1 to 25 years.”***

- Jeff Owens, Winemaker

2014 Odette Estate Cabernet Sauvignon, Stags Leap District

Production:	160 Barrels
Varietals:	75% Cabernet Sauvignon 17% Merlot 3% Cabernet Franc 2% Petit Verdot
Alcohol:	15.2%

VINEYARDS

Tucked into the dramatic palisades of the Stags Leap District, our estate vineyard sits on 45 magnificent acres., As the newest addition to the beloved region, Odette looks to serve as a “breath of fresh air” to the historic District. The Odette Estate Vineyard is symbolic of the future of Stags Leap. With its two sister properties, PlumpJack and CADE (located in Oakville and Howell Mountain respectively), Odette rounds out the trio of wineries committed to producing full-bodied Cabernet Sauvignons that are notable for the combination of power and elegance, while simultaneously showcasing the unique terroir of the estates.

HARVEST

The exceptional warmth and length of the growing season allowed Winemaker Jeff Owens to pick individual blocks at the peak of flavor and phenolic ripeness. The 2014 Estate is sourced from various blocks on our 45-acre Estate in the heart of the Stags Leap District AVA. There was a total of 23 passes across the estate vineyard over a week and a half span enabling each micro block to be captured at optimal ripeness.

FERMENTATION

Fermentation took place in fully jacketed stainless steel fermenters after a 48 hour cold soak at 50 degrees Fahrenheit. Macerations lasted 8-18 days at a maximum temperature of 95 degrees Fahrenheit. Malolactic fermentation took place in barrel and finished up in late winter. The blend was crafted in the early spring of 2015 granting sufficient time to marry together over the next 15 months. The wine was aged in 75% new French Oak for 20 months and was racked four times prior to bottling.

OUR THOUGHTS

The 2014 Odette Estate Cabernet Sauvignon, Stags Leap District is a beautiful wine revealing the unique characteristics and terroir of our Estate vineyard within the Stags Leap District AVA. The aromatics fly out the glass and the flavors linger on the palate with notes of black cherries, ripe raspberries, black currant, violets and crushed rocks all interwoven into this full-bodied and expressive Cabernet Sauvignon. Vibrant acidity adds freshness and compliments the purity of fruit, leading into the long persistent finish.

95 Points

2015 Odette Estate Cabernet Sauvignon, Stags Leap District

Production:	92 Barrels
Varietals:	76% Cabernet Sauvignon 16% Merlot 3% Malbec 3% Cabernet Franc 2% Petit Verdot
Alcohol:	15.2%

VINEYARDS

Tucked into the dramatic palisades of the Stags Leap District, our estate vineyard sits on 45 magnificent acres., As the newest addition to the beloved region, Odette looks to serve as a “breath of fresh air” to the historic District. The Odette Estate Vineyard is symbolic of the future of Stags Leap. With its two sister properties, PlumpJack and CADE (located in Oakville and Howell Mountain respectively), Odette rounds out the trio of wineries committed to producing full-bodied Cabernet Sauvignons that are notable for the combination of power and elegance, while simultaneously showcasing the unique terroir of the estates.

HARVEST

In 2015 Mother Nature brought us the earliest harvest on record. Between the sun and heat, we had a few weeks of cooler weather during flowering which resulted in a reduced crop. Although production is limited, the quality remains extremely high with characteristics of enhanced fruit purity, depth and concentration. The 2015 Estate Cabernet Sauvignon is sourced from various blocks on our 45-acre Estate in the heart of the Stags Leap District AVA. There was a total of 27 passes across the 32 producing acres over a two week span, enabling each micro-block to be captured at optimal ripeness.

FERMENTATION

Fermentation took place in fully jacketed stainless steel fermenters after a 3-day cold soak at 50 degrees Fahrenheit. Macerations lasted 6-12 days at a maximum temperature of 95 degrees Fahrenheit. Malolactic fermentation took place in barrel and finished up in late winter. The blend was crafted in the early spring of 2016 granting sufficient time to marry together over the next 15 months. The wine was aged in 75% new French Oak for 20 months and was racked four times prior to bottling.

OUR THOUGHTS

The 2015 Odette Estate Cabernet Sauvignon, Stags Leap District seduces with augmented notes of sweet black raspberries, black cherries & black currants accompanied by natural violets, shaved graphite and dried cloves. Impenetrable purple in color, lavish & full-bodied, this wine is decadent and mouth coating, with rich layers of dark fruits that canvas the palate leading into a nearly never-ending finish.

96 Points

2014 Odette Reserve Cabernet Sauvignon, Stags Leap District

Production: 18 Barrels
Varietals: 100% Cabernet Sauvignon
Alcohol: 15.4%

VINEYARDS

The 2014 Reserve is sourced from our hillside block and the outer edges of our 45-acre Estate nestled at the base of the striking palisades in the Stags Leap District AVA. The soils consist of Perkins and Boomer gravelly loam providing structure and power, with finessed tannins and a touch of minerality. The Reserve vines date back to 1979 making them some of the oldest in the AVA, and encompassed about 7% of our total production off of the property.

HARVEST

The 2014 growing season was another year with exceptional warmth and length, affording us the opportunity to pick blocks individually as they achieved their peak of flavor and phenolic ripeness. There were a total of 24 passes across the estate vineyard that spanned a two-week period, enabling each micro-block to be captured at its optimal ripeness. Only three select micro blocks on our 45-acre estate in the heart of the Stags Leap District were used in our 2014 Reserve Cabernet Sauvignon.

FERMENTATION

Fermentation took place in small 2-3 ton fully-jacketed stainless steel fermenters after a 48 hour cold soak at 40°. Maceration lasted 10-16 days at a maximum temperature of 95°. Malolactic fermentation took place in barrel and finished up in late winter. The blend was crafted in the early spring of 2015 and allowed to marry together over the next 17 months. The wine was aged in 100% new French Oak for 22 months and was racked four times.

OUR THOUGHTS

The 2014 Odette Reserve Cabernet Sauvignon, Stags Leap District delivers notes of blackberry liqueur, blueberry cobbler, wild lilacs and incense laced with underpinnings of crushed rocks and graphite. The full-bodied mouthfeel is seamless and riveting, revealing the focused layers of intense dark fruit that collide with an elegant richness and tension that creates an effortlessly endless finish. Enjoy this wine over the next 25+ years.

Winemaker Jeff Owens became the **first winemaker to achieve a perfect 100-points** from Robert Parker on his inaugural vintage.

Proud producers of the **first wine to receive 100-points by the Wine Advocates Robert Parker bottled under a screw-cap.**

The winemaking laboratory, constructed from recycled shipping containers from China, is the only one of its kind in the Napa Valley.

The state-of-the-art winemaking facility is **LEED (leadership in energy and environmental design) Gold Certified.**

The Stags Leap District estate vineyards are **organically farmed and accredited CCOF (California Certified Organic Farmers).**

The winery is **one of just a handful to feature a living green roof**, plus 2,500 square feet of solar panels.

A commitment to quality and place from the same owners who brought you PlumpJack and CADE Estate Wineries.

**2015 Adaptation
Petite Sirah,
Napa Valley**

The 2015 Adaptation Petite Sirah yields a deep, dark purple hue, unveiling a bevy of wild berries, Black Mission figs, incense, chai tea and baking spices graduating into gingerbread and hints of roasted coffee beans. This full-bodied wine boasts a gorgeous texture with a combination of richness and density that give way to the elegant and weightless finish.

**2015 Adaptation
Cabernet Sauvignon,
Napa Valley**

The 2015 Adaptation Cabernet Sauvignon redefines approachability - a fusion of fruit flavors that include wild blackberries, mulberries, sweet cherries and cocoa dipped blueberries invade your senses followed by wispy notes of forest floor and bittersweet chocolate. An exuberant, multi-dimensional mouthfeel is complemented by dynamic acidity that forges freshness, energy and length to the palate.

**2015 Odette Estate
Cabernet Sauvignon,
Stags Leap District**

The 2015 Odette Estate Cabernet Sauvignon, Stags Leap District seduces with augmented notes of sweet black raspberries, black cherries & black currants accompanied by natural violets, shaved graphite and dried cloves. Impenetrable purple in color, lavish & full-bodied, this wine is decadent and mouth coating, with rich layers of dark fruits that canvas the palate leading into a nearly never-ending finish.

DRINKS

California's Next Wave

TOP WINE EXPERTS UNCOVER THE NEW BLUE CHIPS

California's Big Prize collectors' wines haven't built their reputations on 2,000 years of grape-farming tradition—vine-spreading Roman legions apparently ignored the state entirely—but on the efforts of two generations. Today's state-of-the-art California wines are the result of a learning curve with K2-like verticals—a work of constant progress, massive expenditures of passion and energy, and massive expenditures, period. (An educated guess by Rob McMillan, executive vice president of Silicon Valley Bank's wine division, puts new investment in Napa Valley alone at \$17 billion over the past 20 years.)

Unlike the Médoc in Bordeaux, where a single ranking of wineries has held sway since 1855, in California there is always another hot producer just around the corner. The first-generation icons (Stag's Leap Cask 23, for instance, or Heitz Martha's Vineyard or Caymus Special Selection) have shined over to make room for the Screaming Eagles, Colgens and Harlans, which in turn have seen collectors covet smaller-scale artisan producers with forever-waiting lists like Scarecrow, Sine Qua Non and Dana Estate.

Want to know what new names wine insiders will madly pursue in five or ten years? So do we. So we asked. —RICHARD NALLEY

THE WINE MERCHANT
Monica and David Stevens,
750 Wines, Napa Valley

MACDONALD VINEYARD
CABERNET SAUVIGNON

"The Macdonald brothers farm their family's 40-year-old vines in a gravel patch in [Napa's] To Kalon vineyard. They traditionally sold the grapes to Mondavi for Reserve bottlings. As of 2010 they have been making about 90 cases for themselves, and the wine absolutely rocks."

**THE SOMMELIER/
IMPORTER**
Daniel Johannes, Wine Director for Daniel Boulud's Jinez Group, owner, Daniel Johannes Selections

ANTHILL FARMS
PINOT NOIR

"The next wave is democratic, exciting wine from a new generation of winemakers seeking balance. These are small-production and collectible since there won't be much to go around."

ANTHILL FARMS 2011
PINOT NOIR

A few miles inland from the Mendocino coast, the Anthill Farms Vineyard sits in an isolated clearing in the mountain north of Healdsburg. The vineyard is 40-year-old, by the Van Landy.

THE AUCTIONEER
Jamie Ritchie, CEO Americas and Asia, Sotheby's Wine

PETER MICHAEL CLOS DU CIEL PINOT NOIR

"All Pinot Noirs will become more and more sought after. This one is from Peter Michael's new Seaview Estate on the Sonoma coast, where wines achieve greater finesse; it shows a class that you rarely find outside Burgundy."

THE CRITIC
Robert Parker, founder, The Wine Advocate

ODETTE ESTATE
CABERNET SAUVIGNON

"Their first wines won't be released for about two years, but tastings of their first vintages revealed world-class quality. This is the new vineyard from the owners of PlumpJack, and given their impressive history of quality, insiders will want to keep an eye out for Odette."

THE BACKSTORY //
ODETTE ESTATE
"Vineyards like this don't come up very often," says John Conover, part of the high-profile partnership (PlumpJack, Cade) that also includes Gordon Getty and California Lieutenant Governor Gavin Newsom. Previously farmed by the Staltzner family beginning in 1963, Odette's 45 acres—purchased last year—constitute one of the seminal vineyards that gave Napa's Stag's Leap District Cabernets their reputation as wines with "an iron fist in a velvet glove." Says Conover, "We're in the courtship phase with the vineyard, trying to figure out what we have here. But it is going to be exciting."
