2018 ADAPTATION CABERNET SAUVIGNON NAPA VALLEY

VINEYARD NOTES

In 2018 we continued to work closely with our favorite local growers throughout the broader Napa Valley. The backbone of this blend comes from Ink Grade (on the back side of Howell Mountain), which provides the framework and structure to carry this wine. This site is complemented by Oso Vineyard, which is located in very close proximity, our Estate Vineyard in the Stags Leap District, Blue Tooth Vineyard down the road from Odette in Oak Knoll, and Las Amigas Vineyard in Carneros. All of these sites come together in unison to create a beautiful expression of Cabernet Sauvignon. This diversity and range within the Napa Valley has allowed us to craft a wine which showcases the unique terroir in an approachable, elegant style.

FERMENTATION & ÉLEVAGE

Fermentation took place in small fully jacketed stainless steel fermenters after a 48-hour cold soak at 55°F. The stainless steel fermenters showcase the purity of the fruit while preserving the freshness and allowing the terroir to shine. Maceration lasted 8-14 days at a maximum temperature of 92°F. Malolactic fermentation took place in barrel and finished up in late winter. The wine was aged in 50% new oak and 50% one-fill oak barrels with minimal racking for 18 months before bottling.

VINTAGE

The growing season was extremely steady with moderate temperatures throughout the year. We had a very even bloom with veraison finishing swiftly, resulting in healthy balanced yields. Lower than normal temperatures late in the season without the threat of rain, allowed for extra hang time with harvest commencing in late September and stretching out over four weeks.

IMPRESSIONS

The 2018 Adaptation Cabernet Sauvignon is opaque purple in color, presenting notes of wild blackberries, luxardo cherries, plums, crème de cassis with hints of fresh spring flowers. This full bodied expression displays beautiful ripeness with elegant, very fine, well integrated tannins and a gorgeous silky texture. Built for near term appreciation and long term potential, this forward, upfront and approachable style can be enjoyed over the next decade+.

VARIETALS/BLEND 80% Cabernet Sauvignon // 18% Merlot // 2% Petite Sirah
