

WE'RE JUST GETTING STARTED IN STAGS LEAP

BEHIND THE WINES?

Winemaker Jeff Owens became the first winemaker to achieve a perfect 100-points from Robert Parker on his inaugural vintage.

SUSTAINABILITY

The state-of-the-art winemaking facility is LEED (leadership in energy and environmental design) Gold Certified.

The winery is one of just a handful to feature a living green roof, plus 2,500 square feet of solar panels.

The winemaking laboratory, constructed from recycled shipping containers from China, is the only one of its kind in Napa Valley.

The Stags Leap District estate vineyards are organically farmed and accredited CCOF (California Certified Organic Farmers).

SCREW CAPS

Proud producers of the first wine to receive 100-points from Wine Advocate by Robert Parker bottled under a screw-cap.
